

# Fiche technique du produit

## Caractéristiques

# S540804V

## Odace - Touch - cover frame - 2 gangs H/V71 - stone ardoise & anthracite border

### Principales

|                               |             |
|-------------------------------|-------------|
| Range                         | Odace       |
| Aesthetic name                | Touch       |
| Product or component type     | Cover frame |
| Type of packing               | Flow-pack   |
| Quantity per set              | Set of 5    |
| Sale per indivisible quantity | 1           |

### Complémentaires

|                 |                                                     |
|-----------------|-----------------------------------------------------|
| Device mounting | Flush                                               |
| Number of gangs | 2 gangs horizontal 71 mm<br>2 gangs vertical 71 mm  |
| Fixing mode     | Clip-in                                             |
| Colour tint     | Anthracite and stone ardoise                        |
| Surface finish  | Glossy and true stone                               |
| Material        | Stone veneer<br>PC (polycarbonate) decorative frame |
| Height          | 85 mm                                               |
| Width           | 156 mm                                              |
| Depth           | 10 mm                                               |
| Product weight  | 0.0346 kg                                           |

### Environnement

|                                       |                                                                             |
|---------------------------------------|-----------------------------------------------------------------------------|
| Ambient air temperature for storage   | -5...50 °C                                                                  |
| Ambient air temperature for operation | 5...45 °C                                                                   |
| Standards                             | 2006/95/EEC<br>EN 60669-1<br>NF C 61-314<br>NBN C 61-112-1<br>UNE 20315-1-1 |

|                                 |                                                                                                                  |
|---------------------------------|------------------------------------------------------------------------------------------------------------------|
| Product certifications          | NF<br>N<br>Aenor : 030/2205<br>LCIE : NF 603415A                                                                 |
| IK degree of protection         | IK04                                                                                                             |
| IP degree of protection         | IP21 D                                                                                                           |
| Environmental characteristic    | Acetone<br>Alcohol<br>Ammonia<br>Bleach<br>Liquid soap<br>Oil<br>Petrol<br>UV resistant<br>Window-cleaning fluid |
| Environmental health and issues | Halogen free                                                                                                     |

## Durabilité de l'offre

|                                  |                                                                                                                                       |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Sustainable offer status         | Green Premium product                                                                                                                 |
| RoHS (date code: YYWW)           | Compliant - since 1440 - Schneider Electric declaration of conformity<br><a href="#">Schneider Electric declaration of conformity</a> |
| REACH                            | Reference not containing SVHC above the threshold<br><a href="#">Reference not containing SVHC above the threshold</a>                |
| Product environmental profile    | Available                                                                                                                             |
| Product end of life instructions | Need no specific recycling operations                                                                                                 |
